

# NATIONAL WATER WEEK

# WATER CONNECTS EVERYTHING

The National Water Week Poster Competition is on again in 2026 with the theme **Water Connects Everything**.

Primary School students are asked to create a poster reflecting water-related issues which are important and relevant to them and their local area.

Teachers – this is a great activity for the classroom in the lead up to National Water Week. Last year 1000s of poster entries were received from Australian Primary Schools.

- \* Pre-primary
- \* Years 1 & 2
- \* Years 3 & 4
- \* Years 5 & 6

Kids – entries will be judged locally with winners in each category submitted for national judging

**19-25 OCTOBER 2026**

## GREAT PRIZES CAN BE WON BY BOTH YOU AND YOUR SCHOOL!

Busselton Water will award an individual winner (\$100 prize pack) and a runner-up (\$50 prize pack) in each category. In addition, all participating schools will be entered into a single draw, with one school to win a \$300 prize pack.

Prizes at the national level judging will be awarded in each of the four categories.

### Winners will be chosen using the following criteria:

- How well the poster conveys water related issues relevant to your area ie; inland school posters would not be focussed on ocean activities.
- How well it can be reproduced to promote National Water Week.
- Appearance: attractively displayed in colour.
- How good it looks from a distance
- Effective use of art materials.
- Originality of design or innovative concept.
- One entry per student.
- One student per poster.

### Entry criteria:

- Poster **MUST** be A3 (30x40cm) in size.
- Any medium, including paper, can be used.
- Any art material can be used including paint, textas, coloured pencils or collage materials.
- An official entry form must be securely attached to the back of each poster.
- Entries must be received by Busselton Water before 4pm on Thursday 10 September.
- The winning entries from each age category will then be submitted by Busselton Water to the Australian Water Association for national judging.
