### 3. Declarations, your responsibility and your right to privacy

Personal information collected under this program will only be used for the purpose of assessing applications and related purposes. This process may include the exchange of information with other government departments or agencies for compliance purposes, and/or reporting publicly on the performance of the rebate program. Reports will be based on aggregate data and personal information will not be identifiable in such reports. Information will be used for the payment of the rebate to successful applicants.

Busselton Water reserves the right to refuse any application if the information provided is incomplete or does not meet the required criteria. Providing false or misleading information is an offence in Western Australia and penalties apply. Details provided will be used to audit that the rainwater tank has been installed correctly.

- I certify that I have read and understood the Rainwater Rebate terms and conditions and I meet all eligibility criteria.
- I certify that, to the best of my knowledge, all of the details provided in this application (including that in the licensed plumber's declaration) are correct at the time of completing this form.
- I agree that I have and will provide Busselton Water with sufficient and reasonable evidence of my eligibility for the rebate if requested any time up to 6 months after payment of the rebate. This may include allowing an authorised inspector access to my property to inspect the installation and connection of my rainwater tank.
- I certify that I have attached copies (not originals) of the tax invoice and receipt as proof of purchase and installation costs (as provided by a licensed plumber).

Applicant's signature \_\_\_\_\_

Date \_\_\_\_\_
