

BUSSELTON WATER

Waterwise Irrigation Rebate Program 2025/26 Application Form

Your details

Name of applicant

Phone

Email

Property details

Your account number is located on the front of your bill on the top right-hand side. It must match the property address claiming the rebate.

Busselton Water account number

Property address

Suburb

Does the property use a bore to water the garden or lawn?
(Customers using a bore for irrigation are not eligible for rebate)

Yes No

Has the irrigation system been operational at any point in the last two years?

Yes No

Rebate documents

Please attach a copy of the required documents for verification of your rebate. Your rebate can't be processed if a document is missing.

- the tax invoice/s issued by a Waterwise Garden Irrigator detailing the Eligible Service.
- the checklist that forms part of this application form, which must be completed by the Waterwise Garden Irrigator who completed the Eligible Service.

Payment

If approved, we'll process your rebate as a credit to your Busselton Water account for the property provided in this application, normally within one bill cycle (three months).

Terms and conditions

By submitting this application form, I agree to the terms and conditions of this offer.

I have read the program Terms and Conditions, including the program inclusions and exclusions.

A limited number of Waterwise Irrigation Rebates are available. Once all rebates are allocated, no further rebates are available as part of this offering.

Applicant's signature

Date

Please send completed application form, and associated rebate documents, to admin@busseltonwater.wa.gov.au
