Product and installation details

So that we can process your rebate, we need a few details about the toilet and licensed plumber who installed it for you. You'll find the name and model of the toilet on your receipt.

How many toilets have been replaced? *(please circle)* 1 or 2

What make and model of toilet has been installed?

Total price paid for product purchase and installation (including GST)

Name of licensed plumber used

Rebate documents

Please attach a copy of the required documents for verification of your rebate. Your rebate can't be processed if a document is missing.

1. a tax invoice or itemised receipt for the purchase and installation of the waterwise toilet issued by the licensed plumber and including details of the residential property address where the toilet was replaced and installed, the WELS 4-star rating toilet make and model, and the total amount paid for the purchase of the toilet and installation works.
2. two (2) photographs showing the old single flush toilet being replaced and the new WELS 4-star toilet installed. The photographs must clearly show the single and dual flush buttons of the toilet and the area surrounding the toilet to demonstrate that the dual flush toilet has been installed in the same toilet/bathroom that the single flush toilet was removed from.

Payment

If approved, we'll process your rebate as a credit to your Busselton Water account for the property provided in this application, normally within one bill cycle (three months).
