

BUSSELTON WATER

Weather-based Irrigation Controller Rebate 2025-26 Program | Terms and Conditions

The **Weather-based Irrigation Controller Rebate** is available to residential property owners who are customers of Busselton Water and connected to Scheme Water. A Rebate of up to \$300 is available on the purchase, set up and programming of eligible weather-based irrigation controller and module products.

Busselton Water will offer a total of 20 Rebates in the Rebate Program. Rebate applications will be open from 1 October 2025 to 31 May 2026, or when the limit of 20 Rebates is reached, whichever occurs first.

It is important you read and understand the terms and conditions before applying for the Rebate.

Busselton Water offers the **Weather-based Irrigation Controller Rebate** in accordance with the following terms and conditions. By participating in and registering for the Rebate, you are taken to have accepted these terms and conditions.

Definitions

The terms in these conditions have the following meaning:

- a. **Busselton Water** means Busselton Water Corporation (ABN 79 3067 615 65).
- b. **Eligible Product** means one of the following:

Brand	Eligible Models	Details
Hunter	HC, Pro-HC, HPC, HCC	Hydrawise Smart Wi-Fi enabled irrigation controllers
Hunter	X2 with WAND	X2 with WAND for Hydrawise Smart Wi-Fi enabled irrigation control
Hunter	WAND	WAND for connection to an existing X2 Controller for Hydrawise Smart Wi-Fi enabled irrigation control
Hunter	Solar Sync	Hunter Solar Sync ET Sensor for connection to a compatible Hunter controller (X-Core, Pro-C, I2C)
Orbit	B-HYVE Hydro Rain Pro Smart Wi-Fi enabled irrigation controllers	Smart, B-HYVE Smart Controller
Rain Bird	ESP with LNK2	ESP-RZXe, ESP-ME3 or ESP-TM2 with LNK Module for Smart Wi-Fi enabled irrigation control
Rain Bird	LNK2	LNK2 Wi-Fi Module for connection to existing compatible Rain Bird controller (ESP-RZXe, ESP-ME3 or ESP-TM2)

- c. **Eligible Service** means the provision of a weather-based irrigation controller set-up and programming by a Waterwise Garden Irrigator.
- d. The **Program Closure Date** is 31 May 2026.
- e. **Rebate** means this Weather-based Irrigation Controller Rebate.
- f. **Rebate Period** means the period from 1 October 2025 to 31 May 2026 (inclusive), or when the total Rebate Program funds are expended, whichever occurs first.
- g. **Waterwise Garden Irrigator** means a person who is qualified to install the eligible product and has been endorsed by Irrigation Australia.
- h. **Waterwise Irrigation Design Shop** means specialist irrigation stores (endorsed by Irrigation Australia) focused on improving water efficiency in garden watering systems by raising the standard of design and advice offered through education and compliance.

Eligibility for the Rebate

The following conditions apply to be eligible for the Rebate:

1. The Eligible Product must be installed at a residential property connected to Busselton Water's Scheme Water network.
2. The Rebate is only available on Eligible Products and Services purchased from Waterwise Irrigation Design Shops and Waterwise Garden Irrigators during the Rebate Period.
3. Customers can apply for the Rebate between 1 October 2025 and 31 May 2026, or until all available Rebates are exhausted.

4. The Rebate cannot be claimed until the Eligible Product has been set up by a Waterwise Garden Irrigator and is operational at the property.

Claiming the Rebate

5. The Rebate can only be claimed by completing and submitting the application form which is available on the Busselton Water website.
6. The application must provide proof of purchase in the form of a copy of the tax invoice/s issued by a Waterwise Irrigation Design Shop and/or a Waterwise Garden Irrigator detailing the Eligible Product and Service.
7. The Rebate can only be claimed once per Busselton Water account number. Where a customer owns multiple properties, each with different Busselton Water account numbers, the Rebate will be available for a maximum of three properties.
8. A Rebate of up to \$300 can only be claimed on Eligible Products and Services. The Rebate is for the cost paid for one (1) eligible product and one (1) eligible service capped at \$300. The Rebate does not cover costs paid to an electrician.
9. The Eligible Product/s must be set up at the property by a Waterwise Garden Irrigator to claim the Rebate. The Rebate is not available for the cost of the Eligible Product/s if the Eligible Product/s have not been set up at the property by a Waterwise Garden Irrigator.
10. Busselton Water will only pay the Rebate by credit to the Busselton Water account number provided in your application after it has been approved by Busselton Water, normally within one bill cycle (three months). Final decisions regarding Rebate eligibility will be made by Busselton Water in its sole and absolute discretion.
11. The Rebate is non-transferable and valid only through the next billing cycle after the Program Closure Date. Busselton Water will not pay any unexhausted amount of the Rebate after it ceases to be valid.

Liability and warranty

12. You acknowledge that Busselton Water is not providing you with any goods or services through or in connection with the Rebate.
13. Busselton Water makes no representation or warranty regarding the suitability, capability or performance of the Eligible Products and the Waterwise Garden Irrigators.
14. You acknowledge and agree that only a limited number of Rebates are available under the Rebate Program and that there is no assurance that your application for the Rebate will be approved by Busselton Water.
15. You acknowledge and agree that Busselton Water will not be liable for any damages, claims or loss whatsoever suffered as a result of the installation of an Eligible Product or the performance of an Eligible Service.
16. You acknowledge and agree that the relevant businesses that supplied the Eligible Products and services will be responsible for managing all aspects of customer service associated with their products and services, including but not limited to bookings, installations, warranty claims and complaints.

Privacy statement

Personal information provided for the purposes of this program will be collected, used and disclosed in accordance with Busselton Water's Privacy Statement. Details of this statement are available on our [Privacy Statement](#).
